SIR,

File S
File C
In submitting herewith records received from the Deputy Commissioner Bangalore District with his letter No. P2-Par.360/27-28 -- dated the 23rd June 1928 (copy enclosed), I have the honor to state that one Sved Murtuja Sah, a resident of Pisanehalli village in the Hoskote Taluk, has asked for the free grant of land in local S.No.24 of the village, for the construction of a Idga at his own cost for the use of the Musalmans of the place and of the neighbouring villages.

File G
File I
The village is said to consist of about 30 families of Musalmans, numbering about 100 in all. The Idga is also intended for the benefit of the Musalmans of the adjoining villages who assemble there twice a year. The site now selected is said to be 2 or 3 furlongs distant from the village. No temple or any place of worship is situated close to the site on which it is proposed to build the "Idga". The villagers opine that the construction of the Idga will not cause any hindrance to the grazing of the cattle of the village and that the land may be utilized for the purpose. An extent of land measuring 30 feet by 3 feet is marked as sufficient in the sketch enclosed.

In these circumstances, I beg to recommend that sanction of Government may be obtained for the free grant of 3 guntas of land for

gomal S.No.24 of the village and also for the construction
the Idga for the Mussulmans.

I have the honor to be,

Sir,

Your most obedient servant,

H. Hume
Assistant Commissioner
for Muzrai Commissioner.
